POLICY DOCUMENT ON ENVIRONMENT AND ENERGY USAGE

GOVERNMENT DEGREE COLLEGE, PADERU is committed to academic excellence and social responsibility. Institution reorganizes its crucial role to play in promoting environmental consciousness and sustainable practices.

Objectives :

- To foster a culture of environmental awareness and responsibility among students, faculty and staff.
- To reduce green house gas emissions through efficient resource management and renewal energy initiatives.
- To enhance operational efficiency and reduce energy consumption through technological
- Up- grade and behavioral changes.

Practices:

- To create awareness to students, faculty and other staff members on discontinuing the usage of single use plastic materials and making the campus plastic free.
- To promote the use of bicycles, public transportation and pedestrian friendly road ways.
- To install solar panels in order to generate photo voltaic electricity.
- To replace traditional lighting equipment by LED lighting across the campus.
- To create a system for effective utilization of rain water.
- To organize tree plantation drives on regular basis.
- To promote the use of latest technologies to reduce the usage of energy.
- To organize awareness programs on energy saving techniques.
- To implement the initiatives for creation of paperless office.
- Regular maintenance of plumbing systems and prompt repairing of leaks to conserve water.
- To integrate sustainability topics into academic programs and courses across disciplines.
- Empowering students to lead sustainability initiatives through clubs, committees and projects.

By implementing this policy , institutions strive to inspire future generations of leaders who are equipped with the knowledge and skills to address global environmental challenges.
